

<b>Site Information</b>	
Location and extent of the contaminated land	See attached Figure 1 plan
Address	Public Open Space at <b>Denman Drive, Ashford, TW15 2AN</b>
Area in hectares	0.1 ha
Plan	See attached Figure 1 plan
National Grid Reference	507650, 170695
Particulars of the significant harm or pollution of controlled waters	<p>Significant possibility of significant harm to human health due to acute exposure of residents and visitors to complex cyanide in shallow surface soils through direct soil and dust ingestion (oral). Residents &amp; visitors</p> <p><i>(Assessment based on a four to eleven year old female child, having an exposure frequency of one hour per day spent playing on the open space over 180 days per year. The open space is generally used by children unsupervised and older than four years of age)</i></p>
A list of the substances by reason of which the land is contaminated land	Complex cyanide in shallow surface soil
The location of any other land from which the substances have escaped	N/a
Current use of the contaminated land	Public open space
<b>Designation of Special Sites</b>	
Designation of Special Site	N/a
Provisions by which site is designated as Special Site	
Decision by Environment Agency to adopt a remediation notice	
Any notice which terminates designation as Special Site	
<b>Site Specific Guidance issued by the Environment Agency</b>	
Date of guidance	N/a
Reference to where it is available	
<b>Other environmental controls</b>	
Any steps taken under S27 of EPA 1990 (or equivalent under PPC regime)	N/a
Any steps taken under S59 of EPA 1990	
Any consent under Chapter II of Part III of Water Resources Act 1991 which has precluded remediation	

<b>Remediation declaration</b>	
Date	N/a
Reference to any site investigation report -description -date -person by whom and for whom it was prepared -where it is available	
Reason why the Local Authority was precluded from specifying a particular remediation action	
<b>Remediation Statement</b>	
Date	XX February 2012
Reference to any site investigation report -description -date -person by whom and for whom it was prepared -where it is available	<p>A list of site investigation reports is provided in the Record of Determination, appended to this entry</p> <p>Spelthorne Borough Council appointed Soilfix Ltd as the principal contractor for remediation. Leap Environmental Ltd were engaged by the Council as it's engineer to undertake a supervision role.</p> <p>The groundworks contractor, Soilfix Ltd, prepared a remediation completion report. Leap Environmental Ltd have also prepared a Verification Report of the clean-up. The following reports can be viewed at the Council Offices at Knowle Green, Staines:</p> <ul style="list-style-type: none"> <li>• Soilfix Ltd, 2 September 2011, Remediation Completion Report: Public Open Space, Denman Drive, Ashford. Prepared on behalf of Spelthorne Borough Council. Report reference C188.SBC/CR</li> <li>• Leap Environmental Ltd, 30 september 2011, Interim Verification Report for Remediation Works carried out at Denman Drive, Ashford. Prepared for Spelthorne Borough Council. Report Reference LP 00284.</li> </ul>
Remediation action that has been or will be taken	<p>A copy of the Remediation Statement is appended to this entry. In summary, remediation has comprised:</p> <ul style="list-style-type: none"> <li>• Soil excavated to a depth of 300mm across the site, removing approximately 210m<sup>3</sup> of contaminated soil from site;</li> <li>• Provision of a deter to dig geotextile membrane, placed over the underlying contaminated soils; and</li> </ul>

	<ul style="list-style-type: none"> <li>Capping of the membrane with a minimum of 300mm (approximately 240m<sup>3</sup>) of clean topsoil and turf.</li> </ul> <p>The work included environmental monitoring and controls to reduce impacts from noise, dust, vapours or odours. The remediation is now complete.</p>
Timescale	The remediation commenced on 28 July 2011. The site was re-opened to the public on 14 September 2011.
Details of the person responsible	<p>Spelthorne Borough Council  Environmental Health  Council Offices  Knowle Green  Staines upon Thames  Middx, TW18 1XB</p> <p>The contact name for the purposes of this remediation statement is:</p> <p><b>Olivia Flint,</b>  <b>Principal Pollution Control Officer,</b>  <a href="mailto:pollution.control@spelthorne.gov.uk">pollution.control@spelthorne.gov.uk</a> ,  tel: 01784 446 251</p>
<b>Remediation notice(s)</b>	
Name of person on whom the notice has been served	N/a
Address	
Type of remediation action -assessment action -remedial treatment action -monitoring action	
What each person is to do by way of remediation & Time periods within which they must do it	
The date of the notice	
Reference to any site investigation report -description -date -person by whom and for whom it was prepared -where it is available	

<b>Appeals against remediation notices</b>	
Name of appellant	N/a
Address of appellant	
Date of appeal
